

Message Title: Why People Believe In Evolution Pt-3

Theme: This considers the churches' silence concerning evolution, which has allowed children to be turned away from the truth and taught vain imaginations by non believers. It also shows how God turns people over to a reprobate mind when they reject His truth and draws a connection between the genius of the Creator and the creation we have around us.

God works with us by giving us enough truth to live by faith and then if we follow His rules, He enlightens our understanding so that the truth becomes obvious to us. The proof of this statement is known by those who have been born again and experienced it. Nothing can be passed on from one person to another by explaining it. It is impossible to communicate the feeling of a burn or the taste of food they must be experienced. This is how God works privately with each person, and that's how we give account of ourselves at the judgment, as individuals.

A preacher once said, "The worst thing God can do to a person is leave them alone". This always ends in disaster just as it did for Adam and Eve. When we choose to believe something it shapes and controls us even to the point of self destruction.

Our very nature is one of pride, making us vulnerable to Satan's influences. In the book of Job, chapter forty one, when speaking of Satan it reads, "he is a king over all the children of pride". Pride allows Satan a monarch's power over us and we become unreachable by truth, logic or even love. The only hope for those who have chosen unwisely is for the Spirit of God to intervene by showing them some amount of truth that conflicts with what they believe.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
