Brian Stark – July 30, 2023

Main thought:

You were created for community.

Notes

1. The example of community – Genesis 1:26
2. The excellence of community – 2 Chronicles 20:1-26

The community of Jerusalem...

- Was called together
 - Recalled God's faithfulness
 - Heard the answer come from within the community
 - Worshipped in the midst of the trials
 - Saw God fight the battle
 - Collected the spoils
3. Engage in community – Hebrews 10:24-25

Ice-Breaker

- Share a fun memory of time spent with good friends.

Verse of the week

- What is a verse or truth from God's Word that has stood out to you this week from your personal Bible reading?

Digging In

Read 2 Chronicles 20:1-26 and discuss the following questions.

- Why was Jehoshaphat alarmed?
- What was Jehoshaphat's response to the impending armies?
- Why do you think he called all of Jerusalem together?
- What kinds of things did Jerusalem do to help Jehoshaphat in their dire situation?

- How can we do similar things for those around us?
- When did God provide the victory? Why do you think that is significant?
- What was the result of God fighting the battle on their behalf?
- Why is it so difficult for us to be vulnerable and depend on the community around us?

Application

Who is your Jerusalem?

1. In your trials and difficulties, who can you reach out to?
2. Who do you need to circle your wagons around?

Praying as a group
