CONCUSION:

Where is the LORD's honor in your temple, your body and life? In what way do you show honor to the LORD of hosts? **Rom 12:1-2**
Do you come with joy to worship God together in church or in your own personal worship with God? Is it "weariness" to you?

- Repent of deadness.
- Repent of complaining and weariness in your heart. God sees it just as He did with these priests in Malachi.
- Repent of hypocrisy.
