Talk About It with Your Friends and Family

1. Do you want to live your life dedicated to God or to someone or something else? Why?
2. What is the peril of living your life dedicated to any other one or thing than God alone?
3. What did Jesus tell Nicodemus in John 3:7?
4. Considering 3:3, 5 along with 3:7 how would you describe the need to be born again – a good idea, necessary...?
5. To what end is being born again necessary?
6. What else beyond being born again is necessary if we are to live our new lives dedicated to Him?
7. What stands in the way of you living in such a dedicated way?
8. Would the Lord have you rethink or adjust your life in any way in light of these things?
