Walk in Christ

Colossians 2:6-7

PASTOR'S PRAYER

Almighty Father in heaven, LORD God, Sovereign King, The Mighty One. You are resplendent, glorious and worthy of all honor and praise. We confess our hearts often want to wander in search of other masters, other interests, other objects of praise and adoration. Forgive us LORD. For you alone deserve our full devotion and interest and affection. We ask for you grace this morning that we might come and receive again, trust again, in Christ Jesus our LORD. May we walk in Him and be rooted and built up in Him this morning. Cause our hearts to be established in Christ and rest in Christ as we live each day in gratitude of your constant, persistent mercy in our lives. We ask these things in the name of Christ Jesus our Lord. Amen & Amen.
