

Hope in the Face of Judgment
Ezekiel 10:1-11:25

Main Point:

God's judgment is worse than you can imagine, but there is true hope and deliverance from it in Jesus Christ.

1. God departs from those who are under His judgment.

2. God does not take it lightly when false hope is given to those facing His judgment.

3. God wants you to know that there is true hope and deliverance from His judgment.
