

## Slaying the Giant Lie of Evolution

### Back to the Beginning, part 2

Genesis 1:1; In the beginning God created the heaven and the earth.

- Genesis 1:1 states the general account of creation in which the time-space-mass universe had an absolute beginning. This verse answers: who is in charge, by whose rules do we play, and who will we answer to at the end of the day?
- This incredibly simple statement is in complete harmony with science. First, the Law of Cause and Effect. Second, the two laws of thermodynamics (heat energy).
- The First Law of Thermodynamics, is called the law of conservation of energy. Nothing is being created or destroyed. Matter had an absolute beginning.
- The Second Law of Thermodynamics, is called the law of entropy. In every interchange of energy there is a tendency for useable energy to run out. Matter is not eternal.
- Here is the lie of evolution: Nobody X Nothing = EVERYTHING
- Over time and by blind chance, matter evolved into the entire universe.
- Evolution says that **non-living matter** produced living matter; **non-personal influences** produced personal beings, biological accidents resulted in ordered life; **non-rational forces** produced rational creatures.
- Henry Morris has said, “Evolution is a contemporary expression of the long war against God.”
- Evolution is a non-negotiable doctrine, a bedrock belief, a fixed absolute, for a humanistic culture that despises moral absolutes.
- Let’s look at three verses that slay the lie of evolution:

#### 1. Evolution is Willful ANARCHY, Romans 1:20-32

- Anarchy is the disorder that results when there is no authority. Evolution ultimately seeks to remove the authority of God from our sphere of life.

A. Intellectual Anarchy, v.18-20

B. Religious Anarchy, v.21-23

C. Moral Anarchy, v.24-32

## **2. Evolution is Philosophical KIDNAPPING, Colossians 2:8**

- “Spoil=” means to plunder and lead a person captive and astray from the truth.

## **3. Evolution is Ungodly DECEPTION, 1 Timothy 6:20,21**

- “Profane=” ungodly
- Evolution parades as science but its true intention is to overthrow the faith of God’s Word.
