

*God moves in mysterious ways
His wonders to perform;
He plants his footsteps in the sea,
And rides upon the storm.*

*Deep in unfathomable mines
Of never failing skill,
He treasures up his bright designs
And works his sovereign will.*

*Ye fearful saints, fresh courage take,
The clouds ye so much dread
Are big with mercy, and shall break
In blessings on your head.*

*Judge not the lord by feeble sense,
But trust him for his grace;
behind a frowning providence
He hides a smiling face.*

*His purposes will ripen fast,
Unfolding every hour;
The bud may have a bitter taste,
But sweet will be the flower.*

*Blind unbelief is sure to err,
And scan his work in vain:
God is his own interpreter,
And He will make it plain.*

-William Cowper

Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God.
(1 John 4:7)
