### “reDiscover Church: Discover God”

We gather here together to praise and worship the One who is **worthy** of all glory.

God is **incomprehensible**.

God’s plans are **revealed** to us by His Spirit.

*1 Corinthians 2: 9-12*

Those who know God best are those who are **desperately** seeking His Spirit.

*1 Corinthians 2: 16; John 16: 12-15*

*“I do see the design of the universe as essentially a religious question. That is, one should have some kind of respect and awe for the whole business . . . It’s very magnificent and shouldn’t be taken for granted. In fact, I believe that is why Einstein had so little use for organized religion, although he strikes me as a basically very religious man. He must have looked at what the preachers said about God and felt that they were blaspheming. He had seen much more majesty than they had ever imagined, and they were just not talking about the real thing. My guess is that he simply felt that religions he’d run across did not have proper respect . . . For the author of the universe.”*

*- Charles Misner, a scientific specialist in general relative theory*

*Isaiah 40: 25-26*

We come to church to worship an incredibly **great** God.

*(Continued on the reverse)*

*Malachi 3: 6a*

God is **always** great!

The greatness of God can be seen in His **omnipotence**.

*Jeremiah 32: 17; Matthew 19: 26; Genesis 18: 14*

The greatness of God can be seen in His **omnipresence**.

*Jeremiah 23: 23-24; Psalms 139: 7-10*

The greatness of God can be seen in His **omniscience**.

*Job 37: 16; 1 John 3: 20; Isaiah 46: 9-10; Psalms 50: 9-12*

*“Who is Bill Bright? I’m a little nobody among 6 billion nobodies. God has given me several things I think he’s wanted me to do, and yet there doesn’t seem to be any assurance time will allow me to finish some of these. He doesn’t need Bill Bright any more than he needs a twig on a tree. He created us in His image, and He loves us, and He esteems us, and we are worth to Him, but He can raise up sticks and stones to worship Him. So, it’s not as though my departure is going to leave a big hole.”*

*– Bill Bright, Founder of Campus Crusade for Christ*

Our meaning in life is found through our **need** for God.

God is both spiritual and **relational**.

*John 4: 24; 1 Timothy 1: 17, 6: 15b-16*

God is a **Person** to be loved.

You come to Christ to **know** God.

His **wrath** is infinitely and eternally just toward us.
