

The Glory of the Cross

John 12:20-26

- I. How can Christ say that His death would mean glory? (v 23-24)
 - a – His death would mark the first stage on His way back to His former exalted position
 - b – His death would result in a great harvest of life
- II. How are the benefits purchased by Christ's death applied to us?
 - a – They are applied when you learn what it means to treasure Him above all things
 - b – They are applied when you learn what it means to embrace His call to discipleship
