**Lazarus and the Rich Man (Luke 16:19-31)**

**Point #1** Like Lazarus, those whom “God helps” will be borne after their death into God's presence.

**Point #2** Like the rich man, the unrepentant will experience irreversible punishment.

**Point #3** Through Abraham, Moses and the prophets, God reveals himself and his will so that none who neglect that revelation can legitimately protest their subsequent fate.
