*Pastor John Brackbill/Acts 2:42c and 1 Corinthians 11:17-34/8.30.15

The church at Corinth was coming to the Lord's Table in an _____ (17-22)

- Their coming together was actually worse than _____ (17)
- Because they were coming together with _____ (18-19)
- Divisions that expressed themselves within _____ of eating a meal connected to the Lord's Table (20-22)

Their divisions _____ the revelation from the Lord that Paul had received about His Table (23-26)

- The context of the Lord's Table being instituted (23)
- The breaking of the bread in remembrance of Jesus (24)
- The taking of the cup in remembrance of Jesus (25)
- The proclamation of the table (26)

Based on those instructions, coming to His Table in unrepentance over specific sin is to come in an unworthy _____ (27-32)

- Observing the Lord's Table in an unworthy manner aligns a believer against _____ who died on the cross for sin (27)
- Rather than coming in an unworthy manner, we must _____ beforehand for any unrepentant sin in our lives (28)
- We must examine ourselves because to take in an unworthy manner leads to _____ from the Lord (29-30)
- Such discipline from the Lord is _____ if we will examine ourselves (31-32)

Therefore the only option is to repent of any specific known sin so that we can take from the Table in a worthy manner (33-34)
