**Pentecost Regime Change (Acts 2:22-41)**

1) Pentecost regime change is **seen by Israel** in the pouring out of the Spirit upon “all” people (22-31)

*\* Salvation-historical bomb # 1: we are now living in the New Age of the outpoured Holy Spirit.*

*\* Salvation-historical bomb # 2: this new age has been ushered in through the death and resurrection of Jesus of Nazareth, who is the Messiah.*

*\* Salvation-historical bomb # 3: God raised Jesus, who is the Messiah, from the dead in accordance with Scriptures.*

2) Pentecost regime change is **confirmed by God** in exalting Jesus to his right hand and bestowing upon him the Name above every name.
