

REVELATION 48  
– CONUNDRUM  
OF MAN  
{IMPOTENCE OF  
SATAN-MAN IN  
GOD’S  
RECALCITRANT  
REALITY}

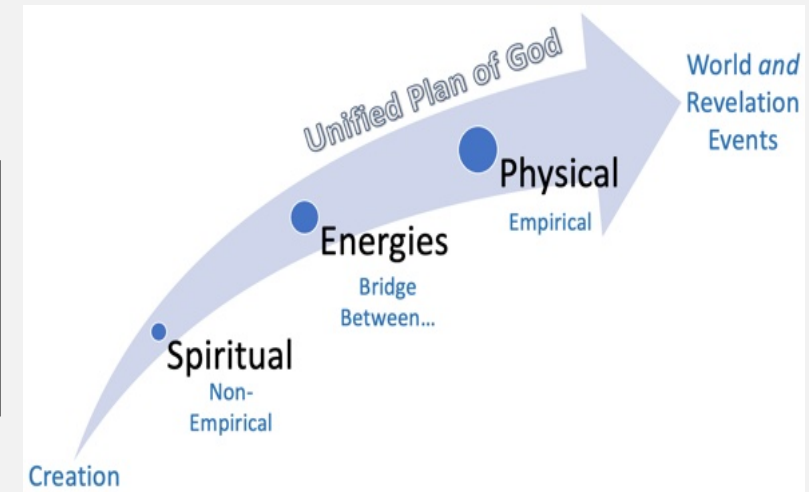

Dr. Leon L. Sanders  
Revelation 6:12-16

# PROLOGUE: THE SEALS – UNDERSTANDING THE MYSTERIES

- Seal {σφραγίς, sphragis}: Authority to hide-release whatever is hidden {mystery} by the Seal: Finances, Materials, Covenants, deeds, wills etc.
- Jesus, by His sacrifice given authority from the Father to release seals on the Indictment Scroll revealing sin's-man's consequences: Socialism-Globalism  
(Da 2:26-30; Ro 16:25-27; Ep 3:1-12; Re 10:5-7)
  - Creation Corrupted: Man rebelled against God, following Satan-Flesh (Self), created *alien* World system; trading Life for Sin and Death (Ge 2:17; 3:17-19; 4:10-13; Ro 8:18-25; Ja 1:14-15)
  - First Four Seals: Jesus reveals Satan's unleashed *mystery of lawlessness*, though now restrained lest Truth be overwhelmed as nearly occurred in First Age (Ge 6:3-8; 2Th 2:3-12)
  - Slowly, then *increasingly*, Christ *allows* Man his dream {World w/o God-Good} (Ro 1:18-28)

# INTERDEPENDENCE SPIRITUAL-PHYSICAL

(RO 1:18-25; HE 11:3)

- Job: First Bible book penned discussed empirical man, Job, who denied his sin by blaming non-empirical God {Hermetic Dialectic Alchemy} (Job 34-35)
  - God reveals Job's *ignorance* of the world, Man does not understand the non-empirical-empirical world relationship; thus, without God's *knowing*, there is always imbalance
  - Ancient Man understood this link; but modern, Enlightened, rational, *scientific* Man rejected this as ignorance – Current science slowly rediscovering these relationships
  - Astronomical events of Revelation detail interdependence of non-empirical spiritual realm with empirical material via the Bridge of Energies {Ex: Soap-Dirt-Water}
  - Millennium after God posed these questions to Job, modern Man still cannot answer and reverts to: *Belief Persistence, Belief Suspension and Logical Fallacies* {False Dilemma} (Ro 1:18-28; 3:10-18; 2Th 2:3-12; 2Pe 3:3-12)

# PROLOGUE: GREAT EARTHQUAKE

- *Great Earthquake opens* Great Tribulation ending Second Age (Re 6-19)
- Mag pole shift ↓ *magnetosphere*; ↑ Galactic-Solar Wind Effects
- Sun's *MicroNova* {SEPs/CMEs} ⇒ earthquakes-volcanoes-climate issues {*Noah Cataclysm*} *Black Hairy Cloth Tendrils*
- Undulating Atmospheric Effect {Scroll}: Carrington Process Disrupts EMG Cmd-Con-Com
- Tectonic 7-year Shift: One Land Mass w/o Mts-Islands

Illusion of Man's Control over Nature Shattered by Christ's Recalcitrant Reality:

Sun-Black {Dimmed}; Moon-Red; Mountains-Islands flattened – Stars {Demonic Forces} Sequestered on Earth (Is 14:12; Re 1:20; 9:1)

# MAN'S PUNY EMPIRICAL CONTROL: CHALLENGED BY CHRIST'S REALITY

## EMPIRICAL

- Interdependent cumulative effects of a MicroNova Solar burst affects Earth
- The magnetosphere-atmosphere suffer under this impact as an ongoing process
  - All systems will be disrupted frustrating the C<sup>3</sup> efforts of the Elites
  - Unlocking of Mantle-Crust boundary layer *explains* Bible's events (Jos 10:12-14; Re 7:1-3)
  - Modern Man acknowledges *Nature* but rejects God: Sin is about Self

## NON-EMPIRICAL

- Stars *falling to earth* used as a False Dilemma foil for rejecting Bible Truth
- Physical stars are impossible: Size-physics
- Stars do represent *spiritual* forces, even by Christ (Context) (Re 1:20)
  - Satan, Day Star, places himself over *stars of God:Angels* (Is 14:12)
  - Satan, Day Star, as *king* or over fallen angels {Demons} also stars (Re 9:1-11; 12:1-3, 7-12)

# WHAT ARE THE *LAST DAYS*? HERALD THE COMING *DAY OF THE LORD!*

- *Last Days* technical term referring to period beginning with Christ's earthly ministry and continuing until the end of this Creation (He 1:1-2; 2p3 3:3-7)
  - *New Covenant* salvation, indwelling Spirit, obtained by Jesus on stauros (Je 31:31-34; Ac 2:17-21)
  - Millennial Kingdom {Third Age} (Is 2:1-4)
- When Christ presented Himself in Heaven, and was *approved*; Satan-Demons were ousted to earth *knowing* their fate inevitable (Mt 8:28-29; Jn 12:27-33; 16:7-15; Re 12:7-12)
  - Empirical disruptions signal everyone the Day of the Lord comes: Sun-Moon-Earth testifies to the Truth {Day of Lord:Accountability culminating in end of Third Age} (Joel 2:1-11, 30-32)
  - People's rejection of Truth, even though expressing religiosity and embracement of Logical Fallacies, *prove* the Truth of the Bible they reject {Their Conundrum} (2Ti 3:1-5, 16-17; 4:3-4)
