THE KITCHEN REMODEL CONTINUES

We know that many are eager to see the great results from the remodeling of the Fellowship Hall. Progress is being made, albeit not as fast as many of us would like. The good news is that progress is being made. The bad news is that God is working on our patience while progress is made. Let us all rejoice in both.

SUMMER KIDS CLUB

Summer Kid's Club still has 3 more weeks. Special thanks to Alyssa Cantrell and all her team for a delightful and very successful Kids Club this summer. If you've benefitted from this labor of love, let Alyssa know. We've seen so much benefit that we'd like to examine the potential for a version of Kid's Club for the school year.

RESCHEDULED SOUTH AUSTIN FELLOWSHIP

Because of the approach of the new school year (and the hard work that many of our moms must do), we will be having our monthly South Austin Fellowship at the Green's a week early (2nd Sunday, August 12). The food theme for August is Tex-Mex.

MINISTRY OPPORTUNITY

Special thanks for the Schiewe family and Avie Lewis for their ministry in caring for our rose bushes and other plants. In September, we will enter into a new phase of watering, weeding, and pruning. Please be praying for your desire to "do a little to get a lot" in providing this care. Stay tuned for a sign-up opportunity sometime this month.

DAYSPRING 40TH ANNIVERSARY CONFERENCE

Great news from Pastor Greg that our prayers have been answered. While at Louisville, Dr. Tom Schreiner told him that the polyp on his vocal cord was shrinking and that, barring any future problems, he would definitely be at Dayspring for our anniversary conference September 22 & 23. Hallelujah!
