*"whoever does the will of God abides forever." (1 John 2: 17)*

*Christ is real and He calls those who believe in Him to choose between Him and the things of this world.*

1. Christ calls the believer not to be committed to the things of this temporal life.
  
2. Christ tells us that being committed to the things of this life is incompatible with Him.
  
3. Christ warns us that the things of this life are by design only temporal.
  - a. Worldly commitment takes what it wants
  
  - b. Worldly commitment trusts in its self
  
  - c. Worldly commitment produces a faulty self-confidence
  
  - d. Worldly commitment only approximates godliness
  
4. Christ reveals to us that this temporality will not last.
  
  
5. Christ promises that His kingdom is eternal.
