

Sermon Notes—AM
Set Free
Rev. Danny Hyde, Pastor
Romans 8:2
The Chapter of Chapters #2

Theme:

There is no condemnation for the believer in Christ because we have been set free from the slavery of sin and the condemning power of the law.

Our Past Slavery to Sin and Death

Sin: “the law of sin”

Death: “the law of...death”

All the clothes I and flowers you put upon a dead body cannot make it but a stinking carcase; so all the moral virtues, and all the honours in this world put upon a man out of Christ, it makes him not a spiritual living soul; he is but loathsome carrion, a dead carcase, in the sight of God, and of all that have the Spirit of God.—Richard Sibbes

Our Present Setting Free from Sin and Death

Accomplished by Jesus Christ: “in Christ Jesus”

Applied by the Holy Spirit: “the law of the Spirit of life”
