“Blessed to be a Blessing”

Psalm 67

Introduction:

Proposition: It is an amazing fact that God is determined to bless sinful, rebellious creatures despite their sin. While commanded to “ask, seek, and knock” (Matthew 7:7), we must keep in mind that His answer to our prayers has more to do with His purposes than ours (Matthew 6:10). All that we have and are belong to Him (1 Corinthians 6:20).

I. Ask for God’s blessings

II. Remember the purpose of God’s blessings

III. Consider the results of God’s blessings

Conclusion:
