

THE BIBLICAL DOCTRINE OF CREATION

WHAT, WHO, HOW, WHEN AND WHY

I. The What of Creation

II. The Who of Creation

III. The How of Creation

Three popular unbiblical views held by evangelical Christians:

A. Progressive Creationism

B. The Framework Hypothesis

C. Theistic Evolution or Evolutionary Creationism

Four logical conclusions for those who believe in an old Earth.

1. It undermines the understanding of _____.
2. It challenges the _____.
3. It raises doubts about _____.
4. It undermines the _____.

IV. The When of Creation

Why can we be confident that the earth was created between six and seven thousand years ago? _____

Other evidence that tell us when.

Recent Date of Civilization:

Population Statistics:

Erosion of the Continents:

Decay of the Earth's Magnetic Field:

Comets:

Jupiter:

Pluto:

V. The Why of Creation

A. For His _____

B. For His _____

The **what** is the universe, the **who** is the Eternal Trinity, the **how** is by the word of God in six solar days, the **when** is 6 or 7 thousand years ago and the **why** is because it pleased God and because he desires glory for himself.
