JOSEPH AND THE SOVEREIGNTY OF GOD

9/1/2019

**Lesson 57: *Genesis – The Book of Beginnings***

Text: Genesis 37

Theme: Understanding how God's sovereignty fits into our lives.

---

The sovereignty of God is incredible and in many aspects unsearchable

What do we mean by God's sovereignty?

What does God's providence means?

Does God control everything? Does anything happen simply because life happens or because someone wills it to happen?

"Not everything comes from God's hand, but everything goes through God's hand." Layton Talbert

Review: Paul believed God was leading him to Jerusalem, but many disciples didn't think the Lord was leading him to go (Acts 19:21; 20:22; 21:4)

There are times when God's will was obviously conveyed:

Peter (Acts 10:19, 20; 11:12)

Paul (Acts 13:2)

**Job**

What do you notice about God's sovereignty in Job 1 & 2?

**So what we want to consider in this study is how God's sovereign will may not look anything like what we think life should look like**
