Christ alone can save the world. But Christ has not chosen not to save the world **alone**. He has chosen to use **you and me**.

- 1) Here's what we know
  - a) We know the **how** of making disciples
  - b) We know the **where** of making disciples
  - c) We know the **when** of making disciples
  - d) We know the **why** making disciples
  - e) We know the **who** of making disciples.
- 2) Here's what we should do.
  - a) We should count on the **Holy Spirit**
  - b) We should consider the **harvest fields**
  - c) We should curtail all **hindrances of time**
  - d) We should consecrate **our hearts**
  - e) We should co - labor **in hope**

What did Jesus say is your necessary tool in obeying the great commission? **Your testimony, your story, your witness for him.**
