| | | C. | "If they are faithful to care for your soul and teach you the Word, you have the | | | | |
| | | | responsibility to obey. A spiritual leader is not a dictator who drives you from behind. | | | | |
| | | | He is a shepherd who goes before and leads the way." Warren Wiersbe | | | | |
| | | d. | "Only when its leadership is right can a congregation be right. They will never be | | | | |
| | | | perfect or infallible, but godly men are Christ's instruments for leading and shepherding His people. They have the right to lead the congregation and to make | | | | |
| | | | decisions for them in the Lord, and they are to be respected, loved, and followed in the | | | | |
| | | | Lord." John MacArthur | | | | |
| | | e. | "God's design for the church is simple. The godly are to be in leadership. They rule, | | | | |
| | | | they teach, they admonish, they set the example. They are chosen because they are | | | | |
| | | | especially submissive to the Lord. The rest of the church therefore is to submit to | | | | |
| | | | them, in respect, honor, and love. They are accountable to the Lord for their | | | | |
| | | | leadership, and the rest are accountable to the Lord for submitting to and respecting | | | | |
| | | | that leadership. If we do not follow and honor those who have rightful leadership in | | | | |
| | | | the church, we not only frustrate and inhibit their fruitfulness but our own as well. We cannot properly serve the Lord if we do not properly respect godly leaders." John | | | | |
| | | | MacArthur | | | | |
| | | f. | "The obedience and submission enjoined are not blind subjection to authority. True | | | | |
