"Here's the headline: Alzheimer's is a foodborne illness. This should be frontpage news on every paper in America...Sugar...disrupts the highly important bacteria in our gut...Alzheimer's is now called Type 3 Diabetes...It's an extension of diabetes. You're being lied to. Alzheimer's is under your control...Cancer is increasingly shown to be metabolic conditions tied to food. That is an empowering message for patients. But its not a profitable message for Pharma..."

"Type 2 Diabetes was very recently called Adult Onset Diabetes. We've dropped the Adult...25% of teens have pre-diabetes...Our bodies are connected to our brain...We're being told this is complicated. This is the greatest lie in medicine...[It's] a rigged food system."

"The 'storm' was not Covid-19...The storm was...a criminal racketeering organization, that will stop at nothing, including the murder of its own citizens, to advance a profit agenda, as stated by the criminal conspirators themselves."

"And I am very upset...We can't make masks good for you one day, and bad for you another day, and then good for you the next day. That's not how the world works. That's how criminal mind-control operations work."

"We allowed...[the] government, by 2005, to suspend the Constitution of the United States in times of SELF-DECLARED pandemics. Does that sound like a good idea?...to say to despotic leaders, 'Let's make a law...[where] you just get to say there's a thing...Oh, by the way, you have all the labs that are making the thing...But the cool thing is, all you have to do is, SAY that there's a thing, a We the People get to see our Constitution suspended, our human rights, suspended...whenever you feel like it. So, go ahead, fund you Gain of Function research...'"

The EU, the United States, Canada and Australia, are currently in collaboration with China, on another round of multi-lateral, self-declared pandemics. And nobody's saying, '...Hold on a minute'...The real crime is not the...people that died with the bio-weapons...A hundred billion dollars for Pfizer, for an exercise in the mass murder of citizens, and we think the problem is, 'What's the next pathogen?'...'"

**"There have been two waves of
injury...The first has been the SARS
Covid...infection...The second wave of
injury now, has been the
Covid...vaccines...**

The role of the WHO appears to be adverse in both of these. The role of the WHO appears to be operating within a bio-pharmaceutical complex. A syndicate...It includes the WHO...the Gates Foundation, the Rockefeller Foundation...The Department of State, in the United States, the CDC, the FDA (etc)...Operating as a unit. The impact has been adverse."

"...Since 2021, the vaccines have ravaged the population in the world...Worldwide 2/3's people took a vaccine...75% of Americans...I was the only public health figure in writing to question the vaccines before they came out...We have seen a montage of cardiac arrests in young individuals. I'm telling you as an expert cardiologist, these cardiac arrests are due to the Covid vaccine, until proven otherwise...heart attacks...people passing out...neurologic disease...numbness...blood clots...like we've never seen before...Spike Protein causes blood clots...They are not dissolving...

Dr. Peter McCullough (Redacted News):

"Masks don't work...We should forget the masks...The vaccines are not safe, not effective...The vaccines have never been shown to reduce hospitalization and death..."

"Brain death is a lie...The truth is easy...They invented brain death...No patient data...A lot of people think brain death means flat brain waves. They're not even required to do brain wave testing...They're all alive...We use words like *unconscious*...[It does] not mean there is no consciousness. [It means] we do not observe consciousness...Just because a person can't demonstrate pain, doesn't mean they don't have pain...They give paralyzing agents...when they take the organs, so they don't move...[But] their heart rate goes up...But they can't demonstrate...

They invented Brain Death...to get organs...A way to get organs...It's exactly what they did in Germany...In 1919-20...A doctor in Germany wrote...the doctors in the U.S...before Hitler...[that they were doing transplants...and evil things..]...“

“They get the clergy...to get involved...in organ transplants...You can only get healthy organs from living persons...You are not allowed to hear [these things]...”
