

30 SECOND DEVOTIONAL GOD'S WORD IS TRUE

I saw a bumper sticker recently that said that believing in Evolution and having Faith in God was okay. My Bible says in the beginning God created everything and it was all good. The Bible also says that death did not enter in until after Adam and Eve sinned, so if I am to believe this idea that God created everything and that He used evolution, then how does that line up with the fact that the Bible says Then God saw everything that He had made, and indeed it was very good. It doesn't. If we can't believe the Bible when it says In the beginning God, then you may as well throw your Bible away, because we can't believe any of it.
