### Grown-Ups In The Room Pt.17: “Man-Up or Die!”

#### **I Text:**

Old Covenant: *Genesis 3:8-20*

New Covenant: *1Peter 3:7*

**II Doctrine:** Christian men are to be examples of masculinity and humbleness. Masculinity in the Bible is synonymous with leadership and obedience. The Christian husband will guide his wife and children in “the way” regardless of the cost. The Christian husband who does not guide his wife and family is effeminate, regardless of physical strength. He will pay a heavy price for not providing leadership to his family. Entire nations are destroyed when men refuse to lead and behave like rebellious children.

#### **III Comparing Scripture With Scripture:**

1) Christian men are to be examples of masculinity and humbleness. Masculinity in the Bible is synonymous with leadership and obedience. (*1Peter 3:7; Ephesians 5:22-27; Genesis 3:8-11;*)

2) The Christian husband will guide his wife and children in “the way” regardless of the cost. The Christian husband who does not guide his wife and family is effeminate, regardless of physical strength. He will pay a heavy price for not providing leadership to his family. (*Ephesians 5:28-33; Acts 9:1,2; 24:14*)

3) Entire nations are destroyed when men refuse to lead and behave like rebellious children. (*Isaiah 3*)

*Wonder it is, that amongst so many pregnant wittes as the Ile of greate Brittain hath produced, so many godlie and zelous preachers as England did sometime norishe, and amongst so many learned and men of graue iudgement, as this day by Iesabel are exiled, none is found so stowte of courage, so faithfull to God, nor louing to their natiue countrie, that they dare admonishe the inhabitantes of that Ile how abominable before God, is the Empire or Rule of a wicked woman, yea of a traiteresse and bastard. And what may a people or nation left destitute of a lawfull head, do by the authoritie of Goddes worde in electing and appointing common rulers and magistrates. That Ile (alas) for the contempt and horrible abuse of Goddes mercies offred, and for the shamefull reuolting to Satan frome Christ Iesus, and frome his Gospell ones professed, doth iustlie merite to be left in the handes of their own counsel, and so to come to confusion and bondage of strangiers. negligence[1] of such as*
