

Saving Righteousness

Ezekiel 14:12-23

Main Point:

Trust in Jesus Christ, the Righteous Savior, to have saving righteousness.

1. God is not quick to punish, but when He does there is always a good reason.
2. Since deliverance from His punishment cannot be yours by association, it must be personal.
3. To be saved from His punishment, you need your own righteousness, which is found in Jesus Christ.
