

## **“You Are Never Alone”**

### **Ephesians 1:19-23**

#### **Introduction:**

**Main Point:** “You are never alone.” Although this is true of everyone because God is everywhere present, it is especially true for those who believe. Not only did Jesus promise to never leave us nor forsake us (Matt. 28:20) and further promised to send us the abiding Holy Spirit (John 14:16-17), but also those in Him are also part of the great cloud of witness, a multitude that cannot be number from every kindred, tongue, tribe, and nation (the church). How should we say thank you for this wonderfully comforting truth? By walking worthy of this great calling (Eph. 4:1ff).

**I. The power of God gives and sustains your life**

**II. The purpose of God gives you meaning and hope**

**III. They are demonstrated through the church and the life of each member**
