Conclusion

### **We Believe...**

**The Reformed Presbyterian Church** is founded upon the conviction that the Bible is the inerrant Word of God. We believe that it is infallibly inspired and given as our guide to our beliefs and daily lives.

We believe that the Lord Jesus Christ is the foundation stone of the church, the divine Son of God, and our only salvation from sin.

We believe that God is Sovereign, in personal salvation and over every realm of life.

We believe that Jesus Christ is coming again to receive His believing children and to judge the world.

Our full doctrinal statement is found in the Westminster Confession of Faith, the Larger and Shorter Catechisms, and the Reformed Presbyterian Testimony.

### **Covid-19 Guidelines from the Deacons**

- Please maintain proper social distancing outside the church building, before and after services.
- When entering the church, please proceed directly to a seat in the sanctuary.
- Extra masks are available, please let a deacon know if you need one.
- Hand sanitizer is available in the narthex and on the AV desk, please use liberally.
- Restrooms can only be occupied individually or by family groups.

**Mask Policy:** The Governor has issued a statewide mask order on July 16, so we encourage you to bring and wear masks during worship inside our building and if you cannot social distance outside. The Governor gave exceptions for children under 10 and people with health concerns, so we ask you to make the healthiest decision for you and your family. Most people dislike wearing masks for many reasons, but obeying the Governors mask order and the Health Department safety guidelines may help us continue with full services through this pandemic. If you have questions about wearing masks or the other safety guidelines, speak with one of the elders and deacons.

**The Pastor, Elders, and Deacons** extend a sincere thanks to our beloved congregation for your faithfulness and patience during these times of dislocations in our church life. We thank you for cooperating with the safety guidelines.
