Praxis

1. If sheep “hearing the voice” of their shepherd (Jn 10:3) comes as a result of God’s regenerating / rebirth at one’s salvation, what does “hearing his voice” look like in everyday living?
2. How does Jesus “calling his own sheep by name” (Jn 10:3) impacts one’s... assurance of salvation? ...reason for following Jesus? ...identity in this world?
3. Survey in your mind the various aspects of Jesus life / mission... Identify specific ways you are / aren’t emulating that walk in the past month...
4. For any missing elements in question #3, seek to identify what shepherd / voice you are following in that area...
