

The Echo of Sincere Praise through Space and Time

Psalm 48

July 22, 2018

North, South, East and West; ok, where are you going with this?

Great claims; are they true, or simply hyperbole?

Covenant life- we learn, we experience, we proclaim, we teach.

A great claim made about God in v 1-3.

A great experience of the majesty of God in v 4-7

A great response to the greatness of God. V 8-14

Now I see with my own eyes.

The Assertion of the Greatness of God v 1-3

Great is the Lord and greatly to be praised!

What is the great claim?

Why is Mt Zion called the highest, most beautiful mountain?

What is Zaphon?

The Experience of the Greatness of God v 4-8

What are two responses to the presence and revelation of God?

What battle is he talking about? (2 Chronicles 20:1-4; 20-23; 32:20-22)

Why mention the ships of Tarshish? - 2 Chron 20:35-37

But deliverance was witnessed by the present people of God.

The Response to the Great Deliverance of God v 9-14

How do they respond to this experience of providence?

Who are the daughters of Judah?

This is our God, v 14.

My God is God, this is true; the tradition, the great claims made about God are all true, I have experienced him.
